

HHA Herald – Wednesday, November 25, 2020

Hi, this is Principal Hornbeck with your weekly HHA Herald. As the pandemic continues and talk turns to the limited distribution of highly effective vaccines next month, HHA will continue to pause in-person instruction for our PreK and K students until at least early 2021. We will provide an update on our plans in early January. Meanwhile, the holiday season begins and it is easy to think about the loved ones we won't see this year and how much everything has changed because of the pandemic. Instead, to paraphrase Oprah Winfrey, "be thankful for what you have and you'll end up having more. If you concentrate on what you don't have, you will never, ever have enough." At this time of thanksgiving, I'm so grateful for the HHA community, which is warm and generous even when we are unable to see each other. Thank you for being a part of our school. Finally, our puzzler for the week is a tough one. There is a word in the English language in which the first two letters signify a male, the first three letters signify a female, the first four signify a great man, and the whole word, a great woman. What is the word? Send your answer to principalhornbeck@hha47.org and I'll let you know if you are correct. I've already made my tart Gala and Granny Smith apple pie with a Kerrygold butter double crust. It's all I can do to resist having a piece until tomorrow. Think about what you have to be grateful for and have a relaxing break. We'll talk next week.
