

# HHA Herald – Wednesday, December 2, 2020

---

Hi, this is Principal Hornbeck with your weekly HHA Herald. We are approaching the middle of the second quarter. Progress report grades close Tuesday, December 15th. Please monitor your child's grades on Parent Portal. We are seeing some incomplete assignments, especially in middle school grades. Ms. Swann ([gswann@hha47.org](mailto:gswann@hha47.org)) or Ms. German ([fgerman@hha47.org](mailto:fgerman@hha47.org)) can help you get the code to log in to Parent Portal if you need it. A reminder that City Schools stopped food distribution this week. Food distribution will begin again this Monday. In other news, students in grades 1-4 who participated in the 2020 Math Rumble were amazing in terms of their speed and accuracy with rapid math fact practice. Each student in grades 1-4 has a Math Rumble Certificate and a small pack of candy at school waiting to be picked up. Meanwhile, all middle school students and teachers are invited to the first HHA Virtual Middle School Dance featuring DJ Cobb and Mr. Lucas tomorrow night from 6-7 pm. We will host two contests. First, the top five holiday outfits will be chosen. Staff will select the top 10-15 outfits, then students will vote for the top five winners. Second, we will host a dance contest. Volunteers will perform one at a time for 10 seconds. Again, students will vote for the top five dancers. All ten winners will receive a \$20 gift card of their choice! The dance is open to every middle school student and we would really love to see everyone there. Students don't have to dress up or dance. Just join in for some much needed fun and great music. Students can ask their teachers for the Zoom link. Everyone will have it. We hope to see your middle school student at 6:00 pm tomorrow night at the dance. And now for your puzzler of the week. There is a basket containing 5 apples, how do you divide the apples among 5 children so that each child has 1 apple while 1 apple remains in the basket? Send your answer to [principalhornbeck@hha47.org](mailto:principalhornbeck@hha47.org) and I'll let you know if you are correct. That's it for now. Have a great evening and we'll talk again next week.
