

# HHA Herald – Wednesday, January 20, 2021

---

Hi, this is Principal Hornbeck with your weekly HHA Herald. On this beautiful, crisp, windy day, the United States has a new President. Congratulations to President Biden and Vice President Harris on their historic election. They have a lot on their plate. We will all have the opportunity to contribute to the work that needs to be done on so many fronts. Meanwhile, I got my first vaccine shot today! It was very easy. Lots of parking at Under Armour's Port Covington building. You only need a picture ID and then they look up your appointment as you pull up. Super quick. Painless. Very clean and organized. I get my second dose in four weeks. My wife Ginny and my Mom Becky got their first shot as well. Many HHA staff members are already scheduled. It can be challenging to get an appointment, even if you are categorized as 1A or 1B, but news dates and last minute cancellations open things up a bit so you should check the Baltimore City Health Department site often. In other news, please join me tomorrow evening at 6:30 p.m. for a special Chat with Matt to discuss our budget for next year and the conditions and hopeful timing for HHA to resume limited in-person instruction. Ms. Swann will post a link to the Zoom Chat with Matt meeting tomorrow on Facebook, Bloomz, and our website. Also, if you receive text messages from City Schools, please complete the recent district survey about a return to in-person instruction when you receive that text invitation. That's it for now. Have a great evening and we'll talk again next week.
