

HHA Herald – Wednesday, February 17, 2021

Hi, this is Principal Hornbeck with your weekly HHA Herald. If your child attends kindergarten through fifth grade it is time to make a decision on whether they will return to in-person instruction. There are still quite a few K-5 families who have not completed the survey. The district told us that this will be your only chance for in-person instruction this year. I recommend you opt-in at this time to keep your options open. The link to the survey is posted on our website at www.hha47.org, on our Facebook page, and on Bloomz. If you have not already done so, please fill out the survey now. As a reminder, the decision whether to bring back PreK and middle school grades is still pending. The district will update us sometime in March. Meanwhile, I got my second Moderna shot today and have not had any side effects yet. Tomorrow will tell. Finally, I have a bad Dad joke for you. Why can't a nose be 12 inches long? Because then it would be a foot! Have a great evening and we'll talk again next week.
