

# HHA Herald – Wednesday, February 24, 2021

---

Hi, this is Principal Hornbeck with your weekly HHA Herald. More than 70% of HHA's K-5 families are choosing to return to in-person instruction in the coming weeks. We are busy preparing schedules and the building for their return. Our weekly Chat with Matt to discuss all things related to reopening is tomorrow at 4 p.m. There will be a special Powerpoint presentation on the district's parent consent form and in-person asymptomatic testing tomorrow. The link to the Chat with Matt will be posted on our website at [www.hha47.org](http://www.hha47.org), on our Facebook page, and on Bloomz. City Schools CEO Santelises recently responded to an HHA family email regarding bringing middle school students back by writing, "You have my assurance that we will be announcing our plan for offering in-person options for middle school in early March, and these plans will be implemented as quickly as health and safety allow." And finally, we have a quick puzzler. What goes through cities and fields but never moves? Send your answer to [principalhornbeck@hha47.org](mailto:principalhornbeck@hha47.org) and I'll let you know if you are correct. Have a great evening and we'll talk again next week.
