

The PreK/3-5th grade schedules listed below will begin on April 12th.

The only changes to the K-2nd grade schedules, starting April 12th, will be the resource times.

*In the time when students are not physically in school, students will work on independent work, portfolios, log into resource classes, and any other work assigned to them through Google Classrooms. Some services such as special education and GAL may be conducted virtually outside the core classroom time.

Pre-K AM Cohort Schedule
