

HHA Herald – Wednesday, March 10, 2021

Hi, this is Principal Hornbeck with your weekly HHA Herald. I'm about to share a lot of dates, so stick with me here. I'm excited to report that PreK students will be invited to return to in-person instruction starting April 12th and that middle school students are set to return a week later on April 19th. As a recap, all grades at HHA are returning to in-person instruction. Kindergarten through 2nd grade will start this coming Monday, March 15. The classrooms look great and we can't wait to have students return. PreK as well as 3rd through 5th grades will start Monday, April 12th and finally 6th through 8th graders come back Monday, April 19th. K through 5 families have already completed the intent to return survey. About 75% of families chose in-person instruction. Starting tomorrow, PreK families will have at least one week to complete their own survey, which will be distributed by teachers. 6th, 7th, and 8th grade families will get their intent to return survey before spring break. Meanwhile, the district decided the four day week after Spring Break from April 6th through the 9th will be a brief quarantine, which applies to only our in-person K, 1st, and 2nd grade students. Finally, if your child is returning to school, we need your Emergency Contact information and the Parent Consent form. All of this information is located on the front page of the website at hha47.org. I hope you enjoyed this beautiful day. I had a lovely lunch over in the park. Tomorrow is supposed to be in the 70's. Have a great evening and we'll talk again next week.
