

HHA Herald – Wednesday, March 3, 2021

Hi, this is Principal Hornbeck with your weekly HHA Herald. In-person and adjusted remote schedules and assignments for kindergarten through second grade will be released, posted, and shared tomorrow afternoon. Those younger grades start back a week from this coming Monday. Also, due to the Comcast outage in the Patterson Park area today, this week's Chat with Matt to discuss reopening has been rescheduled for tomorrow, Thursday, March 4th, at 1 pm. If you can't make that time, the conversation will be recorded. The Zoom link to the Chat with Matt meeting is posted on our website at www.hha47.org, on our Facebook page, and on Bloomz. Meanwhile, our Bayview Family Therapist, John Polanco, will facilitate a small group for children that could benefit from having a safe space to discuss and process their feelings around COVID-19. The group is an opportunity for kids to get a better understanding of how to cope with the pandemic as well as a review of healthy practices to remain COVID free. If you are interested in having your child join please contact Mr. Polanco at jpolan2@jhmi.edu. And finally, we have your puzzler. You planted sunflower seeds in your back garden. Every day, the number of flowers doubles. If it takes 52 days for the flowers to fill the garden, how many days would it take for them to fill half the garden? Send your answer to principalhornbeck@hha47.org and I'll let you know if you are correct. I hope you're enjoying this beautiful day. Daylight savings and warmer weather is just around the corner. Again, I hope to see you tomorrow at one at the Chat with Matt. Have a great evening.
