Dear Hampstead Hill Academy Community,

A 3rd grade student at HHA has tested positive for COVID-19. The individual is no longer on the campus. Out of respect for confidentiality, we cannot release any personal information. All in-person learning activities are safe to continue at this time.

We know this news may be unsettling. Any close contacts of the individual will be notified directly by the Office of Human Capital and must quarantine for at least 10 days.

The health and safety of our students is paramount. The impacted areas of the school are being cleaned per City Schools' Standard Operating Procedure on cleaning and disinfecting school buildings.

Thank you for your trust and support. If you have questions or concerns, please call me at 410-396-9146 or email me at principalhornbeck@hha47.org.

Please be safe and take care.

Sincerely,

Matt Hornbeck, Principal
Hampstead Hill Academy
