Dear Hampstead Hill Academy Community,

A student tested positive for COVID-19. As per district protocol, the student will quarantine for five days. Out of respect for confidentiality, we cannot release any personal information. All in-person learning activities are safe to continue at this time.

We know this news may be unsettling. Any close contacts of the positive case student have taken a rapid test. If that test is negative, the close contact remains in school. If positive, the close contact quarantines for five days.

The health and safety of our students is paramount. The impacted areas of the school are being cleaned per City Schools' Standard Operating Procedure on cleaning and disinfecting school buildings.

Thank you for your trust and support. If you have questions or concerns, please call me at 410-396-9146 or email me at principalhornbeck@hha47.org.

Please be safe and take care.

Sincerely,

Matt Hornbeck, Principal
Hampstead Hill Academy
